

WELCOME TO RENANIM SUMMER 2008

Our theme-based program will enable the children to explore a variety of topics over the course of the summer including Friendship/Safety/Independence Day, Sand and Sea, Camping and Hiking, Israel's 60th Birthday, Dinosaurs, Bugs and Insects, Exploring Outer Space, and Carnival

Renanim provides a nurturing, stimulating environment where your child will learn and grow socially, emotionally, cognitively, and physically through developmentally appropriate activities. Our staff includes the experienced, professional teachers from our preschool program as well as specialists for music, yoga, Tae Kwon Do, and ballet and dancing.

We provide breakfast, nutritious hot lunches, and healthy snacks and refreshments throughout the day. All of the food that we serve is Glatt kosher.

At Renanim we are cognizant of the need to provide a safe and secure environment for your child. We have a security guard on duty whenever the camp is in session. Our enclosed playground including a carousel, gives your child many opportunities to enjoy playing safely out-of-doors. With our sprinklers, the children can cool off in the hot summer weather. Our indoor facilities are air-conditioned and provide a welcome respite from the hot summer sun.

Fridays are very special at Renanim. We celebrate Kabbalat Shabbat, and cook and bake special treats to enhance our Shabbat celebration.

We take advantage of the public parks in the neighborhood and schedule many "Yellow Bus" trips to exciting locations within the metropolitan New York area as well as to our camp in Riverdale.

We offer two 4-week sessions plus a 1-week mini-session between the end of our regular school year and the beginning of camp and a 1-week mini-session at the end of August before Labor Day. You can enroll your child for as few as 3 days a week or as many as 5 days a week. We offer half-day schedules, full day schedules, and extended day schedules.
